

# Maintenance For Missions: Focus on Evangelism Fund

The committee will make funds available for travel to and from long-term or short-term foreign (and no-USA) mission assignments.

Teaching/evangelism assignments will be given priority, with consideration given to maintenance/work assignments. These funds may be made available to:

- a maximum of 3 people per assignment
- persons who are age 20 and older, and
- who are members in good standing and/or actively serving in a Canadian United Brethren Church.

On their return, we request that recipients of these funds report their experiences to their home church, the maintenance for Missions: Focus on Evangelism committee, and if possible, the Conference.

Written applications are invited. The form can be downloaded from our website:
